# MISSION:

Prepare ALL of our students  
with the knowledge and skills to  
succeed in college and in life.

# ABOUT LEAD

## *Public Schools*

---

We believe all students deserve a high-quality education that prepares them to excel in college and a career — no matter their zip code. We carefully cultivate learning environments that ensure our students have access to the tools and resources required to put them on a pathway to success.

Whether our students decide to attend a four-year university, a two-year certificate program, or enter the workforce, they graduate from LEAD prepared to pursue the future they desire.

Every year, we showcase these futures at our Commitment Breakfast featuring Senior Signing Day. This is a one-of-a-kind opportunity to hear firsthand from students how their LEAD education has prepared them for the future through their LEAD education.

When you invest in LEAD, you invest in the future.

Our sponsorship opportunities follow.

# SPONSORSHIP
